CEO MESSAGE

ZAIN ASHRAF MUGHAL
CEO ECCOUNTANT LLC

Zain Ashraf Mughal, a Pakistani entrepreneur and philanthropist, serves as the CEO & Founder of Eccountant LLC. He is also the founder of Seed Out, a non-profit crowdfunding platform offering interest-free microfinance services to address financial gaps for the impoverished. A graduate in Entrepreneurship from the University of Miami, Zain has led Seed Out to empower 2600+ micro-entrepreneurs, impacting over 10,000 lives and enabling education for numerous children. His achievements include Forbes 30 Under 30 Asia, the Commonwealth Youth Award, and recognition from the UN and NYU as a 'Champion for Change'. Zain, the first Pakistani to receive the Islamic Development Bank Award, is globally acclaimed for his dedication to poverty alleviation and economic inclusion through innovative solutions.

J

TESTIMONIALS

Zahid Mahmood

Co-Natural Beauty Pvt Ltd

Our project management was transformed by Eccountant's ERP solution. Our procedures were made more efficient by the centralized cash handling, integrated inventory, and comprehensive approval system. The tools for project-based planning and reporting have improved our ability to make decisions. Eccountant is cutting-edge for solar companies aiming for digital superiority.

Faleh Al Rashid

Alawan International Company

Eccountant has completely changed the way we handle our finances. Our operations are now operating with an unprecedented level of efficiency thanks to the smooth integration of finance, production, and inventory. The cost control and real-time reporting features have made a big difference in our bottom line. An essential partner for our expansion is Eccountant.

Abdul Rehman

SOMFIX

Our production and inventory management were difficult until Eccountant came into play. The process-wise production, direct material demand, and integrated BOM have brought cohesiveness. Our manufacturing processes have been optimized by the system's comprehensive production reports and cost control measures. Eccountant is a key partner in our success.
